

9th Grade Registration

2021-22

A Note from the CBA HS Counselors...

Greetings Future Falcons! While we planned on a very different registration process for you, we will do our best under these unusual circumstances to assist you as you select your high school courses for 2021-22.

The CBA Counselors have a combined 60 years of experience! That means we know a lot about helping students through the challenging yet exciting high school experience. You have so many wonderful opportunities ahead of you to maximize your potential as you journey through the next 4 years. Will you make good choices? Will you attend school regularly? Will you get involved in clubs or sports? What will you do after high school? So many decisions, right? Not to worry! We are here to help.

We encourage you to begin by choosing classes that will challenge you, teach you things you didn't know and allow you to learn more about yourself. Please review the registration materials provided and share them with your parents. If you or your parents have questions or need assistance, don't hesitate to contact us. We are here to help (even during COVID-19)!

Counselor/Student Assignments

Mrs. Renee Dilda, MS

(reneedilda@wcps.org)

Serving students with last names beginning "A-Go"

Ms. LaShonda Payne, MaEd

(lashondapayne@wcps.org)

Serving students with last names beginning "Gr-Par"

Ms. Gladys Diggs, MS

(gladysdiggs@wcps.org)

Serving students with last names beginning "Pas-Z"

Mrs. Jenna Smith

jennasmith@wcps.org

Counseling Office Secretary

Registration FAQ's

Important Dates

Graduation Requirements

28 to Graduate!

English- 4 credits

Math- 4 credits

Science- 3 credits

History- 4 credits

H/PE- 1 credit

Electives- 12

Specific information can be found in the 8th grade

Registration Guide:

<https://cbacounselingservices.weebly.com/>

or your homeroom Canvas course.

How many classes do I choose?

Every 8th grade student will choose a total of 9 classes (core classes + electives + alternates). H/PE is already selected for you as a 10th class. You will be scheduled for 4 classes each semester.

What is an "alternate"?

Every student must select 2 alternate electives. The computer will use your alternate choices if your 1st choice electives are at capacity or don't fit in your schedule.

Honors vs. Standard Courses. What's the difference?

Classes that are honors level have an "H" or "Honors" in the course title. Honors classes are intended to be college preparatory, so they are more challenging than standard level classes. If you are currently making 90% or higher in your current classes and have a strong work ethic, consider taking honors level courses. If you aren't quite ready for honors-level classes right now, you can always wait and take them in the 10th grade.

Student Athletes...your credits matter!

To be eligible for athletics, you must earn a minimum of 3 credits during the semester that precedes your sport's season. To remain eligible during the season, you must be enrolled in a minimum of 2 classes. Early

Out/Late Arrival is not a class or a credit!

Remember, absences & promotion also affect your eligibility.

8th Grade Registration Planning Guide

Want more info on credits, grad requirements, honors, class rank, promotion, course descriptions, etc.?

Check out the 29-page planning guide online at

<https://cbacounselingservices.weebly.com/>

or your homeroom Canvas course.

Student Name: _____

2021-22 Course List

CHARLES B. AYCOCK HIGH SCHOOL

Attention future freshmen...

- Only the courses listed on this sheet will be available to 9th grade students at CBA HS next year.
- CORE classes you select are guaranteed to be on your schedule.
- Elective choices are scheduled based on availability.
- If you are currently making a 90% or better in a core class, consider taking honors in that class next year.
- THINK before you CHOOSE! Take registration seriously.
- Take courses that are best for you, not your friends!
- All students are required to select 10 courses (8 primary + 2 alternates).
- The computer will schedule 8 of the 10 courses selected by the student.
- Your alternate choices are just as important as your primary choices. Choose wisely!
- Course change requests will be accepted through the 3rd day of the semester. Students must use the Add/Drop form.
